1. Parking charges (and any applicable taxes) are due in advance on the first day of each month for that month and any outstanding amounts are subject to interest charges at the rate of 2% per month compounded monthly (26.8% per annum).
2. Parking rates are subject to change by IPC upon one calendar month’s notice.
3. There is a three full month minimum before you may terminate the monthly parking agreement. After three full months, **you may terminate the monthly parking agreement upon a full thirty (30) day WRITTEN notice** to IPC at the address set forth on page 1 (i.e., notices not received by the 1st of the month will be effective as of the last day of the next month. There are no mid-month terminations.).
4. There is a replacement fee for lost, stolen or misplaced access cards and hangtags. The current replacement fee is \$25.00 for an access card and \$10.00 for a hangtag and replacement costs are subject to change without notice.
5. Unpaid accounts will be processed through your credit card on the first business day after the due date and will be subject to a processing fee.
6. At all times a valid permit must be visibly displayed from the rear view mirror of the vehicle with the “number” facing the windshield (except if no permit has been issued). Failure to do so will be considered a breach of the monthly parking agreement and, in addition to any other remedies available to IPC, may result in a violation notice being issued and your vehicle being booted, clamped, or towed. Any misuse of permit will also be considered a breach of this Agreement.
7. Permits are only valid for the parking facility for which they are issued. If the same permit number is found on more than one vehicle at a time, or if a permit is used to admit more than one vehicle at a time into the parking facility, that permit will automatically be deemed invalid, and IPC may issue a violation notice and boot, clamp, or tow one or more of the vehicles in addition to any other remedies available to IPC.
8. Permits remain the property of IPC. Damaged permits will be replaced free of charge if returned to IPC. Lost or stolen permits will be replaced upon payment of a new deposit at the then current rate and the existing deposit will be forfeited to IPC.
9. Parking charges are for the licensed use of parking space only and IPC is not responsible for any injury, claims, loss, or damage to you, your passengers, your vehicle or its contents.
10. The parking of unlicensed or uninsured vehicles, the general storage of vehicles and the repair or maintenance of vehicles is prohibited. The parking of vehicles that, in the opinion of IPC, pose any kind of hazard or contain hazardous or objectionable contents or displays is also prohibited.
11. IPC reserves the right at any time and from time to time to refuse parking at your normal location. IPC will use reasonable efforts to relocate you to another IPC location for the period your normal location is unavailable.

12. The Monthly Parking Agreement is not assignable or transferable without the consent of IPC. Changes in the name of the account holder are strictly prohibited except for a documented legal name change.
13. Any additional terms and conditions (except those relating to parking rates) displayed on the signage at the parking facility are a part of this Agreement. Vehicles must not be parked in such a way as to block traffic lanes or violate any laws or regulations. Vehicles parked for the principal purpose of promotion activities or advertising are prohibited.
14. The terms and conditions set forth herein are subject to change by IPC without notice.
15. Any power supplied at the parking facility is for block heater use only, and the use of any interior car warmer is prohibited. Use of parking facility power supply for block heater is entirely at your own risk and IPC is not liable in the event that a vehicle fails to start.
